CLDV 100 / Fall 2019.

Prof. Alapo

FOOD

United States

Since the United States is very diverse. We do not have a national food. We welcome all different types of food.

Tibet

Traditional Tibetan delicacy: Momo.

Food is mostly eaten with chopsticks. Breakfasts such as Tsampa is eaten by hand.

Always eat as a group. First serving goes to god

Dominica

Mountain chicken was once the national dish. The animal got infected and started killing the population.

The new dish is called callaloo

Commonly prepared with crab or pork, coconut milk and other ground provisions.

CLOTHING

United States

Traditionally, when we think of a wedding, we envision the bride with white dress and the groom in a black tux. Now people can make their own color and theme

Tibet

Chupa is a traditional Tibetan dress. We wear this on important occasion like marriages, on new year, and while going monasteries.

Dominica

Dominica doesn't have any specific type of clothing.

Creole day: speaking of patois, food, parades.

RELIGION/ CELEBRATIONS

United States

The United States celebrates a wide range of holidays such as Columbus Day, Black History month, Christmas, Thanksgiving, Valentine's Day and many more!

The United States is such a diverse country that when people come to live here, they bring their beliefs and religion as well.

Tibet/ India

Holi is a festival of colors where people throw colored powder on each other.

Buddhism is mainly on believing peace and being truthful. Don't harm any living beings.

Dominica

Catholicism

Independence of Dominica from the first of October to the fifth of November

Dominican carnival between February and March.

SPORTS

United States

Basketball

India

Cricket

Dominica

Futbol

ISSUES

United States

Obesity. 2000 calories are supposed to be consumed per day, but we consume way too many. People do not know how to portion foods. Fast food is cheaper than healthier food)

Gun Violence. (school shootings, gang violence)

Discrimination. (police brutality, racial profiling in everyday lives)

India

Rape: Is a major problem in India these days. But India's government is trying their best to stop.

Child labor: From the age of 6 to 14. It was a big problem before 21st century. But it is still a problem in some rural areas.

Poverty: Poverty is still a very big problem in India.

Dominica

Child Molestation: a current issue in Dominica is child molestation.

Incest: Dating within the family

Poverty

FUN FACTS
